Look Down

1. What do you think Jesus was saying about Himself in the following verses?

John 10:30

John 14:6

Matthew 18:3-5

2. How do you feel about Jesus saying He is the way, the truth, and the life? How would you react if another religious teacher said that?

3. Read Acts 4. Why did the religious authorities want to silence the message that was being preached about Jesus? What gave that message validity?

Look Out

1. Think about those you talk with most frequently. Would you be comfortable having a conversation in which you asserted that you believed Jesus' claim that no man comes to the Father except through Jesus? Why or why not?

2. Why do you think people want to have multiple paths to God?

Look In

Do you personally struggle with the idea that God only accepts one sacrifice for sin? What desire is at the root of your struggle? (For example, your root desire might be that you don't want to think of people as truly being lost because.....?)

Christ taught that He was one with God the Father, the only way to heaven, the Truth and the Life. Though man would insist there are other ways to reach God, Jesus was perfectly clear that He was the only Savior. His resurrection from the dead validated that claim.
